

The trainings you need to get your child care business off to the right start...

CONNECTIONS TO CAREGIVING

Connections is a training series for newly DHS Certified Family providers or those still journeying through the certification process. Your business needs Connections!

CLASS TOPICS

Business Basics | Contracts & Policies | Health & Safety

Developmentally Appropriate Practices | Professional Development

LIVE TRAINING SESSIONS

There will be a total of **six (6) Live Trainings**. You will receive 12 DHS hours when you attend ALL SIX sessions.

Each session will provide you with the information you need to run a successful child care business, covering topics thoroughly and in detail. COVID tips included.

TECHNICAL ASSISTANCE

The journey to becoming a certified provider has numerous steps. Let us help you along the way! Connections participants will have the opportunity to receive one-on-one technical assistance visits to assist with the certification process. Get your questions and concerns answered every step of the way.
