

# WHAT SUPPORTS CAN A KEYSTONE STARS QUALITY COACH PROVIDE?

## How Do I Find a Coach?

To connect with the STARS Quality Coach in your area, please contact your Early Learning Resource Center (ELRC):

[info@cccforpa.org](mailto:info@cccforpa.org).

## Networking and Information Sessions

Coaches hold monthly networking meetings and information sessions that are open to all child care providers of all STAR levels. These meetings cover a variety of topics relevant to early childhood and school age providers, staff, and administrators.

Additionally, our communities of practices (CoPs) include multiple meetings that take a deeper dive into one specific topic.

You can find a list of upcoming networking meetings, information sessions, and CoPs in your ELRC e-newsletter each week.

## Supports

Did you know that STARS Quality Coaches are here to help with more than just STARS paperwork? Quality Coaches have skills in a variety of areas within the Early Childhood Education and School Age fields and can assist programs with:

- Understanding and implementing Keystone STARS Standards
- Identifying Continuous Quality Improvement (CQI) needs and setting goals
- Accessing and using Provider Self-Service
- Mock ERS observations and guided practice with feedback
- STARS grants
- Lesson planning
- Room arrangement
- Classroom management
- Behavior observations
- PD Registry including Professional development and credentials
- Choosing and implementing a curriculum, assessment tool or developmental screening tool
- Staff development and orientation
- Outdoor play space and activities
- Family engagement ideas
- Finding additional resources to support children, staff and families
- And more!
