# Making a Rapid Response Request

*ELRCs 8, 9, & 10*

## **\*\*PLEASE NOTE\*\***

Rapid Response is **NOT** a diagnostic evaluation and is not a fast track for getting a child one-on-one services (a BHS). Please try to adjust staffing so that the responder and teacher can meet privately to discuss challenges. Avoid discussing challenges in the classroom in front of children.

Every situation is different. The earlier you contact your coach with concerns, the sooner appropriate resources can be shared and utilized. Behaviors that challenge us are not always "the child" but may be a result of the environment and/or teacher-child expectations. Your STARS Team is here to support you, your program, and your children and families.
